Automatic / De-skilling Workstation For Hemming Flat Sleeves

全自動袖口專用機

SAS

SAS 為全自動袖口車縫輔助器，特別適用於薄-中等厚度布料，例如：T 恤衫、POLO 衫等。在縫製過程中，工作者不須依賴技術就能夠大幅的提高生產效率。安裝於含有上送功能機種效果更好。適用於各大廠牌的平台三本車。

SAS is an automatic hemming guide for flat sleeves of T-shirts, POLO-shirts... etc and suit for light to medium weight fabrics. The operator simply places the fabric then the SAS automatically performs uniform and high quality products. For better performance, SAS is recommended to install on the flat interlock machine with the upper feed function.
